We've been busy over the last 3 months! Find out what we've been up to...

In May, members of The Den and Stanley Woodcraft Folk spent a weekend at Kingswood Activity Centre! It was an action-packed weekend of climbing, abseiling and team building activities. There was even a huge 3G swing that was not for the faint-hearted! Our young people faced their fears and had a fantastic time in the fresh air!

Our Den Assistants and Young Volunteers attended Stanley Civic Hall's Volunteer Fair in June to promote volunteering opportunities at The Den. There are lots of ways to get involved with The Den - regardless of age, interests or spare time - and we are keen to recruit people to help run and manage our charity!

Stanley Woodcraft Folk is celebrating 30 years this year! They had a birthday logo competition and this is the fantastic winning design by one of their young members. Woodies will be using this logo on their hoodies for their Summer Camp at Budle Bay!

We've been making the most of the glorious weather at our Youth Clubs, with plenty of activities and fun in the sun! We've had a huge water slide, outdoor treasure hunts, milkshake making and Danish Longball to name a few! We've also hosted an afternoon tea party and celebrated the Royal Wedding. We're looking forward to end the term with a trip to Ultimate Bounce!
