

We've also had lots of spooky shenanigans at The Den for Halloween, including a Paranormal Investigation of our 100-year-old building with the North East's leading investigators, Spectre Detectors. Our annual free Halloween Disco was a huge success with over 150 people attending! We had a great time with some superb costumes and awesome dance moves!

Newsletter Nov 2018

We've been busy over the last 3 months! Find out what we've been up to...

In October, the young musicians from our Sound Hub Project wowed audiences with a live gig at The Angel in Durham, supporting local band Straits UK. They were super excited to be performing and did a fantastic job! All donations received will go back into the project to allow us to continue to provide affordable music tuition to young people in Stanley.

Stanley Woodcraft Folk is celebrating their 30th birthday this year! In July, their members went to Budle Bay for their annual summer camp and had a fantastic time. There were talent shows, fish & chips, campfires and trips to the beach!

The Den's groups take a break over the summer months – but that doesn't mean the work stops! We've been busy improving our building and we have upgraded our alarms and security lights, installed baby changing facilities and new toilet facilities and put up our brand new sign outside. Our young team members have also been working hard with Zac, Lauren and Kate all gaining their Level 2 Youth Work qualifications!

With Special Thanks to: CDCF, Stanley Area Action Partnership, Stanley Town Council, Durham County Council, The Ballinger Trust, Awards for All, The Genesis Trust, Catherine Cookson Foundation, William Leech Foundation, D.C.R. Allen Trust and Asda Stanley.
